12:30 PM Surgery vs. PCI for Left Main Disease Sukesh C. Burjonroppa, MD, FACC, FSCAI William A. Anderson, MD
1:15 CEA vs. CAS for Carotid Disease Harshal S. Broker, MD David L. Stroman, MD
1:45 Cardiac Device Therapy in 2012: So Many Choices Craig DeLaughter, MD, PhD, FACC, FHRS
2:15 Concluding Remarks

FACULTY

Vijay G. Kalaria, MD, FACC, FSCAI
Chief, Division of Cardiology
Director, Vascular Service Line
Baylor All Saints Medical Center
Fort Worth Heart, PA • Fort Worth, TX

William A. Anderson, MD
Cardiothoracic Surgery
Fort Worth, TX

Sukesh C. Burjonroppa, MD, FACC, FSCAI
Interventional Cardiologist
Fort Worth Heart, PA • Fort Worth, TX

Harshal S. Broker, MD
Vascular Surgery
Fort Worth Vascular • Fort Worth, TX

J. Vijay Jayachandran, MD, FACC
Director, Division of Cardiac Electrophysiology
Baylor All Saints Medical Center
Fort Worth Heart, PA • Fort Worth, TX

Michael J. Mack, MD, FACC
Thoracic Surgery
Baylor Heart and Vascular Institute • Dallas, TX

Mohan Sathyamoorthy, MD, FACC
Cardiologist
HeartPlace • Fort Worth, TX

Craig DeLaughter, MD, PhD, FACC, FHRS
Cardiologist
HeartPlace • Fort Worth, TX

David L. Stroman, MD
Vascular Surgery
Fort Worth Vascular • Fort Worth, TX
The annual Baylor All Saints Cardiovascular Conference: Advances in Cardiovascular Therapy examines this year’s key controversies and advances in the management and treatment of cardiovascular disease (CVD). Renowned experts in the field will discuss and debate cutting-edge issues that impact the profession and its practice. Taking the plethora of new data and advances in diagnosis and treatment modalities, the faculty will provide specific, proven strategies, that when applied in clinical practice, positively impact patient care.

This conference has a broad scope and covers a wide spectrum of diseases, as well as cardiovascular health. Participants have ample time to discuss topics with individual faculty members.

Conference: Advances in Cardiovascular Therapy
Baylor All Saints Cardiovascular
The annual Conference:
Clinical practice, research and healthcare administration & Allied Health Professional
Physicians/Fellows: Primary Care Physicians, PA, NP, Nurses & Allied Health Professional
Clinical practice, research and healthcare administration

Elements of Competence
This CME activity has been designed to change learner competence and focuses on the American Board of Medical Specialties areas of patient care and medical knowledge.

Conference Overview
The annual Baylor All Saints Cardiovascular Conference: Advances in Cardiovascular Therapy examines this year’s key controversies and advances in the management and treatment of cardiovascular disease (CVD). Renowned experts in the field will discuss and debate cutting-edge issues that impact the profession and its practice. Taking the plethora of new data and advances in diagnosis and treatment modalities, the faculty will provide specific, proven strategies, that when applied in clinical practice, positively impact patient care.

This conference has a broad scope and covers a wide spectrum of diseases, as well as cardiovascular health. Participants have ample time to discuss topics with individual faculty members.
